PROFILE INFO

As a dynamic and ambitious fresh graduate, I am highly motivated and with passion to leverage technology to solve complex problems and drive organizational success. During my academic and internship journey, I actively engaged in projects that honed my technical abilities and cultivated teamwork and communication skills. I thrive in collaborative environments where I can contribute and learn from others.

INTERNSHIP EXPERIENCE

**Sarawak Energy Berhad, Human Resources Department,
Learning and Development Division**
September 2023 - March 2024

- Revamped internal learning portal to be user friendly, visually appealing, and interactive with more features reaching over 500 views.
- Successfully facilitated 4 internal business skills and commercial learning workshops leading to completion of 80 participants.
- Developed and published E-Learning program on “Mental Wellbeing Awareness”, “Facilitation” and “Impactful Presentation” in the Learning Management System.
- Developed promotional materials including posters and executed marketing strategies to promote the Focused Leadership and Commercial Learning Programs, successfully reaching the target audience of 25 members for each course.
- Served as a Facilitator in Powering Young Minds workshop, leading my team to secure the 3rd place in the Best Case Study competition
- Actively engaged as a Committee Member, contributing to the success of various events such as Internship Menara Tour, HR Year End Engagement and HR Booth for Intern's Day through dedicated collaborative efforts.
